

Our vision, values and strategic objectives

Our vision

We aspire to be a cost effective centre of excellence; a place where patients choose to be treated; where clinicians want to train and work; and where our stakeholders want to work with us.

Our values

Respectful

Open

Collaborative

Compassionate

Consistent

Our objectives

We work in partnership with those who use our services, their relatives, carers and friends, and other stakeholders, to meet the following strategic objectives:

- **Improve quality and value:** provide high quality and safe services that give value for money
- **Improve partnerships:** develop stronger external partnerships and explore business opportunities that improve access, responsiveness and service range
- **Improve co-production:** develop relationships which value patients and service users, carers, staff and the community as co-producers of services
- **Improve recovery:** enable increased hope, control and opportunity for our patients and service users
- **Improve innovation:** become a leading innovative provider of health and social care services
- **Improve leadership and talent:** develop leadership and talent throughout the organisation
