

Help us name our brand new hospital buildings

As part of our Springfield Village development, South West London and St George's Mental Health NHS Trust are building up to date healthcare facilities so that our patients have the best environment in which to recover. These facilities will make life better for the people who use the Trust's services today and for generations to come.

At the heart of this includes the construction of new 'forensic' and 'non-forensic' buildings which will provide a range of services including CAMHS, adult outpatients, eating disorders day clinic, wards and many more facilities – and we want you to help us name them!

We are for looking nominations that reflect the history of inspiring local people from the past or present who have made significant contributions to the community.

How to nominate:

Visit www.swlstg.nhs.uk for more information or [click here](#) to complete a simple form with your suggested building name

Winning entries:

Winning entrants will be invited to the formal opening of our new buildings and will have a chance to tour the new facilities.

Please email Communications@swlstg.nhs.uk if you have any questions.
