I am going to ask you some questions and give you some problems to solve. Please try to answer as best you can.

1. (Allow 10 seconds for each reply)
   a) What year is this? (accept exact answer only) ................................................................. / 1
   b) What season is this? (during the last week of the old season or first week of a new season, accept either) ........ / 1
   c) What month is this? (on the first day of a new month or the last day of the previous month, accept either) ........ / 1
   d) What is today's date? (accept previous or next date).......................................................... / 1
   e) What day of the week is this? (accept exact answer only) .................................................. / 1

2. (Allow 10 seconds for each reply)
   a) What country are we in? (accept exact answer only) ............................................................ / 1
   b) What province or state are we in? (accept exact answer only) ............................................... / 1
   c) What city/town are we in? (accept exact answer only) .......................................................... / 1
   d) (In home) What is the street address of this house? (accept street name and house number or equivalent in rural areas) .............................................................. / 1
   e) (In home) What room are we in? (accept exact answer only) ................................................ / 1

3. Say: I am going to name three objects. When I am finished, I want you to repeat them. Remember what they are because I am going to ask you to name them again in a few minutes. (say slowly at approximately one-second intervals)

   Ball
   Car
   Man

   For repeated use: Bell, jar, fan; Bill, tar, can; Bull, bar, pan

   Please repeat the three items for me. (score one point for each correct reply on the first attempt) ................................................................. / 3

   Allow 20 seconds for reply; if the person did not repeat all three, repeat until they are learned or up to a maximum of five times. (but only score first attempt)

4. Spell the word WORLD. (you may help the person to spell the word correctly) Say: Now spell it backwards please. (allow 30 seconds; if the subject cannot spell word even with assistance, score 0) Refer to Page 2 for scoring instructions ................................................................. / 5

5. Say: Now what were the three objects I asked you to remember? ................................................................. / 3

   (score one point for each correct answer regardless of order; allow 10 seconds)

6. Show wristwatch. Ask: What is this called? ................................................................. / 1

   (score one point for correct response; accept “wristwatch” or “watch”; do not accept “clock” or “time”, etc.; allow 10 seconds)

7. Show pencil. Ask: What is this called? ................................................................. / 1

   (score one point for correct response; accept “pencil” only; score 0 for pen; allow 10 seconds for reply)

8. Say: I would like you to repeat a phrase after me: No ifs, ands, or buts ................................................................. / 1

   (allow 10 seconds for response. Score one point for a correct repetition. Must be exact, e.g. no ifs or buts, score 0)

9. Say: Read the words on this page and then do what it says................................................................. / 1

   Then, hand the person the sheet with CLOSE YOUR EYES written in large letters and two five-sided figures intersecting to make a four-sided figure, and Page 3, a blank piece of paper. Allow 10 seconds, score one point only if the subject closes eyes. The subject does not have to read aloud.

11. Place design, pencil, eraser and paper in front of the person. Say: Copy this design please. Allow multiple tries. Wait until the person is finished and hands it back. Score one point for a correctly copied diagram. The person must have drawn a four-sided figure between two five-sided figures. Maximum time: One minute.

12. Ask the person if he is right or left handed. Take a piece of paper, hold it up in front of the person and say the following: Take this paper in your right/left hand (whichever is non-dominant), fold the paper in half once with both hands and put the paper down on your floor. Allow 30 seconds. Score one point for each instruction executed correctly.

   Takes paper in correct hand................................................................. / 1

   Folds it in half................................................................. / 1

   Puts it on the floor................................................................. / 30

TOTAL TEST SCORE: .................................................................................................................

ADJUSTED SCORE: .................................................................................................................
Scoring WORLD backwards (scoring instructions for item #4)
Write the person’s response below the correct response.
Draw lines matching the same letters in the correct response and the response given.
These lines MUST NOT cross each other.
The person’s score is the maximum number of lines that can be drawn without crossing any.
